340B drug pricing and GPO purchasing arrangements

Question

How do I show that I will not obtain covered outpatient drugs through a Group Purchasing Organization (GPO) or other purchasing arrangement if I participate in 340B pricing?

Answer

An appropriate DSH official must certify that the DSH will not participate in a GPO or group purchasing arrangement for outpatient drugs while it is participating in 340B pricing. The certification form is available at <ftp://ftp.hrsa.gov/bphc/pdf/opa/DSHNonpartGPO.pdf>
